

INVITATION

**TO: Research Institutes and Companies interested
in the SCEE domain**

Politehnica University of Bucharest in cooperation with **Technical University of Cluj-Napoca**, **National R & D Institute for Technical Physics Iasi**, and **SC IPA CIFATT Craiova**,

Are honored to invite you to attend the 6th International Conference on “**Scientific Computing in Electrical Engineering**” - **SCEE 2006**, which will be held on **17-22 September 2006**, in Sinaia, Romania.

The Conference SCEE 2006 offers you the opportunity to present your company and your research activity, action aiming to initiate future collaborations in the frame of research projects or educational programmes between your company and the universities, research institutes or companies that will be attending the conference.

Note that at this conference you will meet personalities representing the most important European companies involved in the electronics industry: Philips (The Netherlands), Infineon (Germany), ST Microelectronics (Italy), CST (Germany), as well as academic personalities from Europe and United States. This is a special occasion to initiate new common research projects (e.g. in the frame of FP7). Other details and information related to the SCEE 2006 conference are available on the conference website <http://www.scee06.org/>.

The organizers will offer you a panel on which you can display a poster promoting your company and will distribute your promoting materials (e.g. leaflets, CDs, etc) to all participants.

In order to set all organizational issues, we kindly ask you to confirm your participation to this event, no later than the 1st of August 2006. We will be honored by your presence.

On behalf of the organizing committee,
